AWARDS

1st Place - Her Code
Camp Algorithmic
Arbitrage Coding
Challenge
Rotman School of Management
February 2022

I Participated with 5 teammates to write an algorithm that interacted with a trading program simulation provided by Rotman. We were required to perform GET requests to an API provided to us to determine the financial viability of performing arbitrage in the simulation.

Taekwondo Black
Belt
Ocean Club Taekwondo
September 2019

I recieved my black belt after 5 years of hard work and determination. During the examination in which I passed a test to get my black belt, I also recieved Most Outstanding Student of the year. I also frequently instructed other students in a leadership role.
